

2024 Summer Program – Robotics Plus Mini Camp

“Robotics Plus” is the name, “hands-on, mind-on” activities are the game. The “Robotics” element will be centered on the Sphero robots as well as Lego Spike robots. Students will build and program their robots to complete tasks of varying levels of difficulty. The “Plus” portion will be STEAM based activities which are extensions of the basic STARBASE curriculum. All former STARBASE students are invited.

We offer the program one week and will take up to 60 students (2 separate classrooms). However, it is a first come, first served basis. There is no cost to attend; however, parents must provide transportation, a snack, and lunch.

The Camp dates and time is as follows:

June 17-20: Monday, Tuesday, Wednesday, Thursday - It is held from 9:00AM – 2:00PM

(Participants are expected to attend all four days) Monday, Tuesday, Wednesday, and Thursday.

To enroll your student or get more information, please contact:

Amber Waterbury at (269) 969- 3219 or e-mail to AWaterbury@STARBASEBattleCreek.org

Thank you,
